**VOLUNTEERING TO BETTER  
YOUR COMMUNITY**

## A Message from Sheriff Shaun Golden

In the aftermath of the terrorist attacks of September 11, 2001, Americans across the nation are being asked to come to a new understanding about the important roles we can play to help our nation win the War on Terrorism. Our President has asked each of us to become better Citizens by volunteering our time and partaking in a greater level of community involvement.

By volunteering and supporting community service, practicing safety in the workplace, and by developing a family emergency plan, all of us can improve our level of understanding and in turn improve our readiness. Homeland Security begins right here at home, and it is important for each of us to play a role in protecting our communities. Thank you for doing your part in keeping Monmouth County a safe place to live, work and raise a family.

Respectfully,

Shaun Golden
